THE HONORABLE BOARD OF SUPERVISORS
OF TRINITY COUNTY

In accordance with Section 2279 of the California Agriculture Code, I respectfully submit the 1978 Trinity County Crop Report.

This report reflects the gross value of agriculture products produced by farmers and ranchers in Trinity County. The values in no way are related to net income to the producers.

The substantial increase in 1978 over 1977 is due to the increased response of the producers.

I wish to express my sincere appreciation to the many farmers and ranchers, and to the other Agencies whose cooperation made this report possible.

Respectfully submitted,
